Sir:

Applicants submit this Request in response to the dismissal of the subject petition in a paper mailed by the Office of Petitions on February 2, 2004. The deficiencies pointed out by the Office were that the declaration submitted with the original petition did not list all of the named inventors, and that it did not properly identify the application serial number. Applicants submit herewith a new declaration in compliance with the requirements, and therefore respectfully request that the dismissal of the Petition be withdrawn.

Respectfully submitted,
